Ii

The letter *i* is a vowel. It can stand for the short /i/ sound, which is the first sound in the word *itch* and the middle sound in the word *dig*. Draw a picture of a dog scratching an itch or a dog that likes to dig.

A large, empty rectangular box with a thin black border, intended for the student to draw a picture related to the letter 'i' as described in the text above.

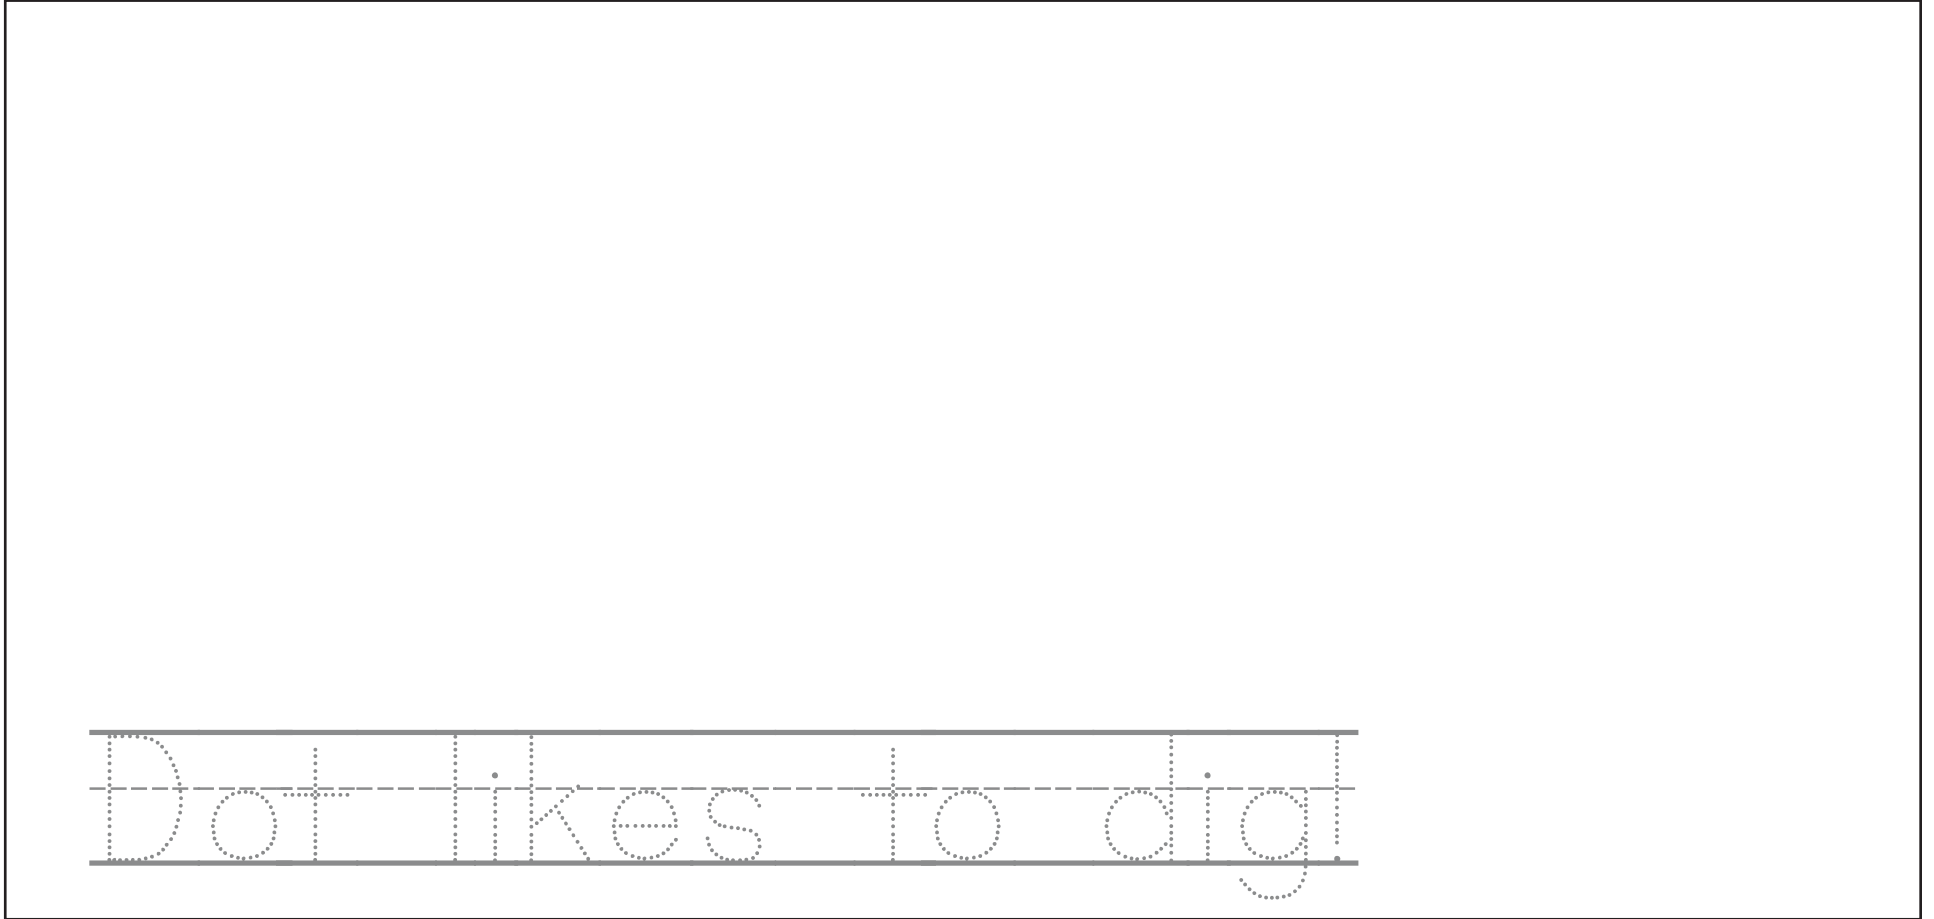

**Write the Letters**

Write each of the letters as neatly as you can, as many times as you can, to fill up the line.

Two sets of handwriting practice lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. The first set shows the uppercase letter 'I' starting with a small circle at the top and a vertical line of dots leading down to the bottom line. The second set shows the lowercase letter 'i' starting with a small circle on the dashed middle line and a vertical line of dots leading down to the bottom line.
